Re: Grant #2047

Dear Dr. Lahiri

The Scientific Director and CTR's staff have discussed your letter of July 17 concerning the Symposium on Respiration — "Receptors and Reflexes in Breathing" in honor of Dr. Julius Comroe.

Beyond our long-standing admiration and appreciation of Dr. Comroe, this is a topic of great interest to the Council, and we consider support of symposia on this and related topics important to our mission. I therefore am pleased to tell you that we will make a contribution of \$2500.00 (our maximum for meeting support). A check for that amount is enclosed with this letter.

We request only that these funds not be used to pay for expenses incurred by participants from the industrial sector. We would also appreciate your holding open one registration slot for attendance by a representative from CTR.

Sincerely,

  
Harmon C. McAllister
